A message from Kieran..

Dear Team,

As we approach the end of this year, I want to take a moment to express my heartfelt appreciation to each of you for your unwavering commitment, dedication, and hard work. 2024 has been a year of growth, challenges, and achievements, and I am incredibly proud of all we have accomplished together at Amulet.

Your contributions have been vital to our continued success, whether you've been on the front lines ensuring the safety and security of our clients and their customers and visitors or behind the scenes supporting daily operations, it's your efforts that have resulted in our achievements. I want to especially acknowledge the values that guide us—always seek better, always do right, and put people first. These values have been at the heart of everything we do, and your embodiment of them has been nothing short of inspiring.

I cannot overstate how much I value your commitment to always seeking better. Each of you consistently strives to improve, not just for the company, but for yourselves and for our clients. Your drive to be the best, to continually evolve, is what makes Amulet a leader in the security industry.

I also want to highlight your dedication to always doing right, no matter how big or small the task. In an industry where trust is paramount, you've never wavered in your integrity. Your ability to make the right decisions, even in the toughest situations, reassures our clients and strengthens the foundation of our company.

Finally, putting people first, whether it's our clients, our team, or the communities we serve putting people first remains central to our mission. The way you consistently put others' needs before your own is a testament to the incredible culture we've built here at Amulet. It's a culture that I am deeply proud of and one that we will continue to nurture in the years ahead.

As we enter the holiday season, I want to extend my warmest wishes to you and your families. The nature of our business means that many of us will continue to work throughout this holiday period. I want you to know your dedication is never taken for granted. It is always acknowledged and appreciated. May you all find time to relax, recharge, and enjoy this festive season.

Looking ahead to 2025, I am confident that with such a dedicated and values-driven team, we will continue to thrive and accomplish great things together.

Thank you once again for your hard work, dedication, and commitment. Your efforts do not go unnoticed, and I am truly grateful for each of you.

Wishing you all a Merry Christmas and a prosperous New Year!

Warm regards,
Kieran Mackie

A time for Giving... Our teams spreading festive cheer across the country!

Gateshead – Making it a Christmas For All

Kaylee Callan, Churchill's Head of IT Operations, reached out to all the staff members working in the Maingate office asking for help with a gift-giving drive in aid of Gateshead charity "Christmas For All".

Kaylee was inundated with volunteers from IT, HR, Finance, HelpPoint, Cleaning Business Support/Ops, and of course Amulet!

We have 32 gifts and rising for vulnerable local children.

Putting smiles on faces at Leeds Childrens Hospital

We are delighted to be supporting our partners at Northern Trains this Christmas with the annual Leeds Children's Hospital Appeal. The gifts donated will go to the Neuroscience, Oncology and Surgical Wards who treat children from all ages including newborn up to teenagers. Our Northern TSOs alongside Saul Ashworth and Ellis Wood will join Northern employees alongside colleagues from the railway network, The British Transport Police and a number of TV personalities to hand deliver the presents on 20th December with a visit from Santa himself also expected. Presents donated for the appeal will be wrapped by ourselves or with the support of Northern Trains ready for the big day and to hopefully bring some festive cheer and happiness to those spending the Christmas period in hospital.

Cold nights and warm hearts at the Millennium Point Sleepout

Braving the elements outside Millennium Point. Sleeping out to raise funds for St Basils work in preventing homelessness amongst young people were Hannah Bridgman, James Bagguley, Stephen Grant and Kieran Mackie. The night raised almost £71k! Well done for such an amazing effort

University of Suffolk – Gift Giving

Our teams at the University of Suffolk are delighted to support Reed in Ipswich – Gathering donations to bring some festive cheer to the young patients of the Childrens Ward at **The Ipswich Hospital**.
